

Stage One

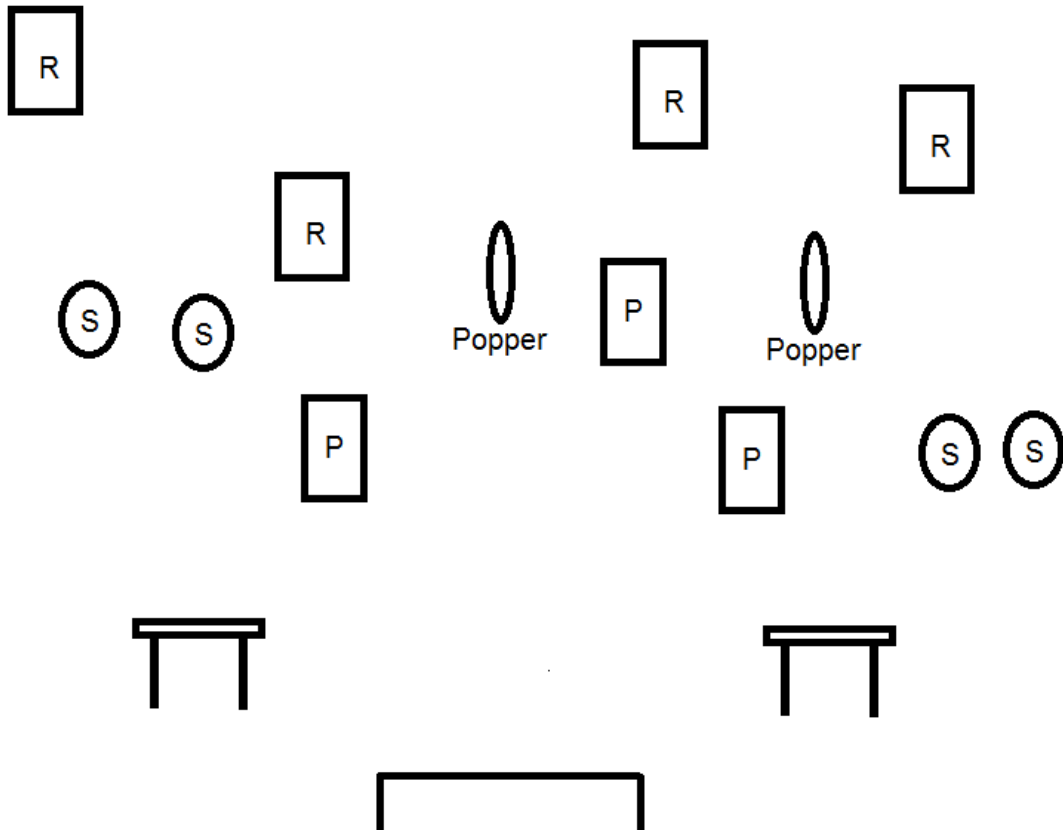

Johnny Jump-up is enjoying a quiet day with his kitty kat, Stinky Binky, when he sees the notorious “Cat Herder Gang” trying to sneak up on Stinky Binky to kidnap her.

Rifle 8 rounds loaded & staged on left table, 2 re-loads on your person  
Pistols loaded with 5 rounds each and holstered  
Shotgun staged on right table

Start standing in doorway holding Binky in both hands. When ready say with gusto “I won’t let them kidnap you BINKY!”

At the beep move to left table and with rifle engage each rifle target twice, load 2 rounds in your rifle and engage each popper rifle target for a 10 second bonus each. Taking Binky with you, move to right table and engage the pistol targets with double tap Nevada sweep. Get shotgun from table and engage the 4 shotgun targets.

Stage Two

Binky is asleep on left table, enjoying a nap. Johnny Jump-up notices the cat herders trying once again to kidnap Binky. Jump-up wants to shoot the cat herders better this time.

Pistols loaded with 5 rounds each and holstered

Shotgun staged on left table

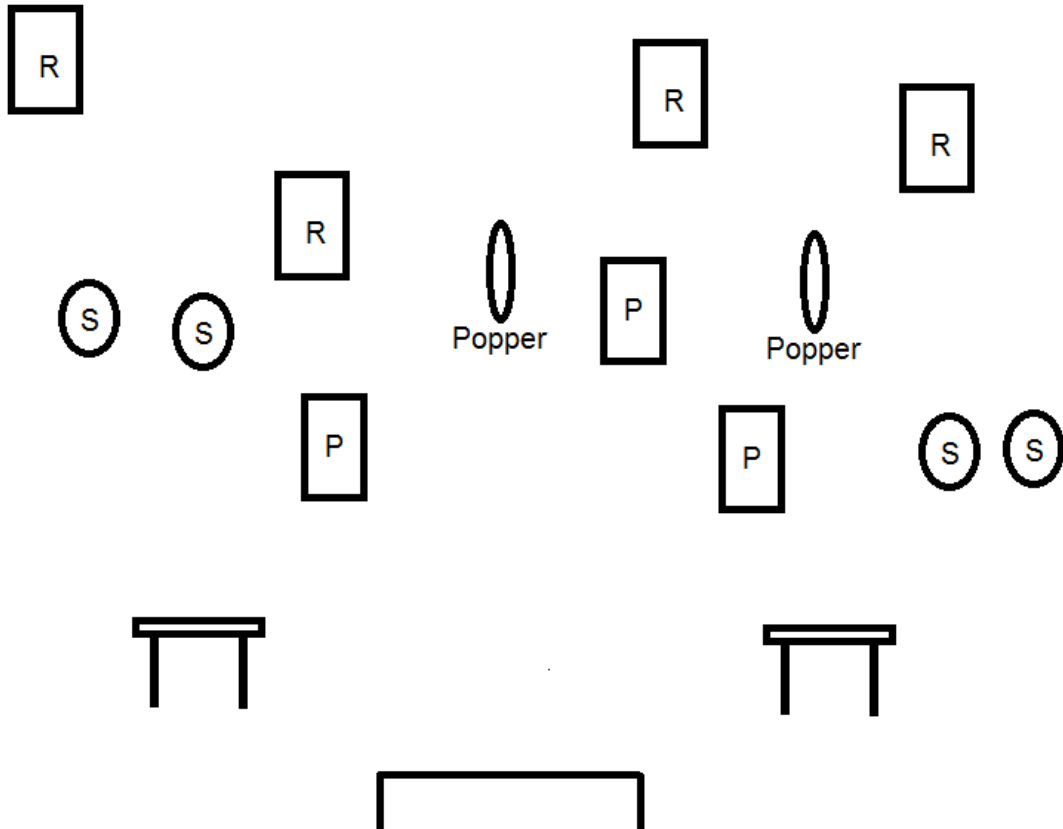

Rifle loaded with 10 rounds and held at port arms, standing in doorway

When ready say “Looks like Binky is going to get woke up!”

Engage the all rifle targets once each, including the popper targets. Then engage the 4 standing rifle targets once each again. Move to shotgun and engage the 4 shotgun targets.

With pistols, and hiding with half your body behind a barrel, engage the three pistol targets in a 4,1,1,4 sweep

### Stage Three

Stinky Binky is asleep on the window ledge, enjoying an afternoon nap. Johnny Jump-up looks up to see the cat herders trying one more time to kidnap Binky.

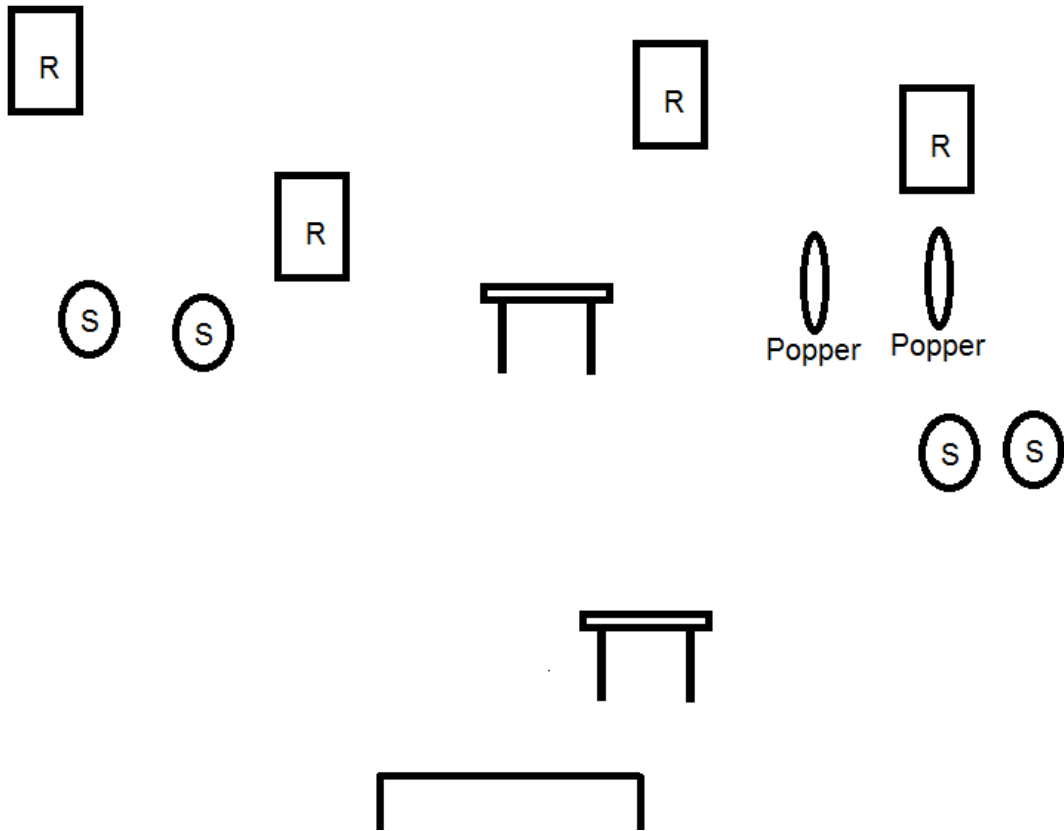

Pistols loaded with 5 rounds each & holstered

Shotgun staged in left window

Rifle staged on right table, 10 rounds in the magazine

Begin sitting in chair on porch, taking a nap with your hat over your eyes. At the beep say, "Binky, I hear something!" Grab your shotgun and engage 2 shotgun targets through the window. Grab Binky and move to right table and engage 2 more shotgun targets. Get rifle and engage 2 rifle targets with 3 rounds each. Engage the other 2 rifle targets with 2 rounds each. Put Binky on the left table and with pistols engage 2 left pistol targets with 3 rounds each. Engage the 2 right pistol targets with 2 rounds each.

Stage Four

Rifle loaded with 10 rounds and staged in vertical rack near table.  
Pistols loaded with 5 rounds each and holstered  
Shotgun held in both hands

Begin standing in doorway. With first shotgun shot shoot Stinky Binky. Engage 4 shotgun targets and put shotgun on near table. Pick up rifle and Nevada sweep the rifle targets. Put rifle in vertical rack. Get shotgun and engage the last 2 shotgun targets. Put shotgun on far table. With pistols Nevada sweep the rifle targets in a continuous Nevada Sweep.
