

Stage One

Rifle loaded with 10 rounds and staged in a window

Each pistol loaded with 5 rounds and holstered

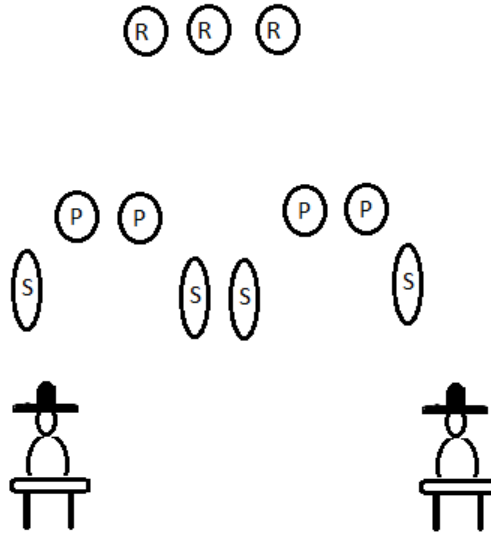

Shotgun staged in other window with at least 6 rounds on your person

Begin standing in doorway with hands on pistols. When ready say “Time to clean house. Let’s go boys”. At the beep engage any two-pistol targets 2,2,1. Move to window with the staged shotgun and engage the 4 shotgun targets through that window. Ignore vomit target at this time. Return shotgun to window. Move back to doorway and engage the other two pistol targets 2,2,1. Move to the rifle and engage the rifle targets with two sweeps 2,2,1 - 2,2,1. Both sweeps must be from the same direction. Return rifle to window, get shotgun, move to doorway and engage the vomit target.

Stage Two

Repeat stage one. If you beat your previous time, a five second bonus is coming your way.

Stage Three

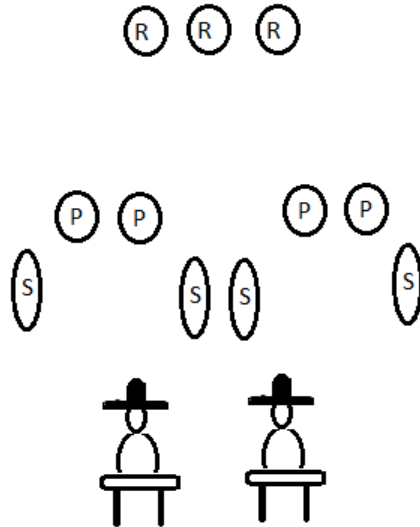

Rifle loaded with 9 rounds and staged on left or right table
Shotgun staged on other table with at least 4 rounds on your person
Each pistol loaded with 5 rounds and holstered

When ready say, “Cheating card sharks, won’t stand for it, never will, never have”. At the beep stand and stick knife in chest of gambler. Put knife back on table. Pick rifle up from a table and engage the rifle targets with triple taps. Put rifle down, draw pistol and engage two pistol targets 3, 2. Get knife and stab other gambler in the chest. With either shotgun or pistol engage the remaining targets. Shotgun will be all four shotgun targets, any order. Last pistol will be 3,2 on the remaining pistol targets.

Stage Four

We'll take a vote and either repeat stage three or shoot the stage below.

Rifle loaded with 9 rounds and staged on left or right table

Shotgun staged on same table with the rifle, at least 4 rounds on your person

Each pistol loaded with 5 rounds and holstered

Begin standing behind either table. When ready say "Two against one? I like the odds". At the beep, pick up knife and stab both gamblers. Pick up rifle or shotgun. Triple tap the rifle targets and shoot the shotgun targets right to left. Each shotgun target must fall in order. With your pistols engage the pistol targets 3,2,2,3.
